We are so grateful for the donation drive and highlighting our Shelter. The donations are perfect, just perfect and everything that was gifted is so important to us and the care of our animals. Food, cleaning supplies (scrub sponges are like gold here!), the gift card, toys- simply the best.

This is so kind and generous and we are grateful for your help. Many thanks to Kim and MaryKate who were the messengers. With your gifts we will be able to help more animals.

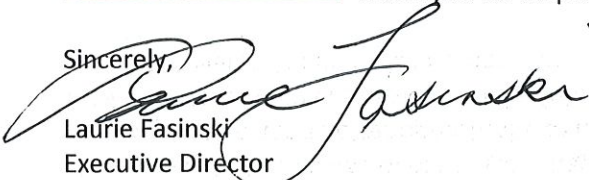

Here is sweet Martha, one of our longest stay pets. Martha was surrendered to an overcrowded NJ shelter. We brought her here to give her a better opportunity to find a home. For the last several years adoptions are so slow and large intake shelters are overcrowded and the future is grim for so many. Sometimes it takes longer than we want but we know that Martha's human is out there. In the meantime, she is loved and spoiled by our Staff and Volunteers!

Thank you for your passion, for making a difference for these animals and for all you do for our community.

Thank you for helping me, Love Martha x

Sincerely,

  
Laurie Fasinski  
Executive Director
