Solicitations of Donations #6120

POLICY

A non-profit non-denominational organization representing fifteen charities or more, properly registered with the New Jersey Department of Law and Public Safety, Charities Registration Section that desires to solicit donations from college employees where said solicitation process involves cost to the college, shall submit a proposal to the Board of Trustees through the President of the College.

If the proposal receives approval, the organization shall be informed of the procedures that are authorized for their solicitation.

INFORMATION NOTE: The intent of this policy is to limit the number of charitable organizations to one such organization due to limited resources of the college.
