

Joint Articulation Agreement Between **CSU-Global and Ocean County College**

The following articulation agreements have been developed to assist students who complete a specific A.A., A.S., or A.A.S. program at Ocean County College and desire to transfer into a specific B.S. program at CSU-Global Campus. Students who are within one year of completion of their associate's degree may sign a letter of intent to lock in their tuition.

These articulation agreements are provided as a guide only, based on standard program requirements for each school and approved degree requirement transfer. Program requirements will vary depending on each student's individual courses, past credit, and degree plan. Please contact an advisor for more information or any questions regarding transfer.

Click the button below to learn how the credits you've earned will apply to a CSU-Global degree.
