

TRIO Highlights

- **TRIO Student Support Services is a grant-funded program that specializes in increasing retention and graduation rates for first-generation college students, low income students and students with disabilities. Participants in the program receive academic support, tutoring, academic coaching, help with basic college requirements such as financial aid applications and more.**
- **21 of our participants graduated with associate degrees
This is the highest number of Fall graduates in OCC's TRIO program history.**
- **These students have been accepted and will be transferring to Stockton University, Kean University, New Haven University, Monmouth University and Daytona State University.**

TRIO Highlights

- TRIO SSS had a 92% persistence rate and saw their highest number of enrolled students this Fall.
